Dear Guests!

The Workshop: Beyond Identity? New Avenues for Interdisciplinary Research on Identity is about to begin.

We hope you will find this event, as well as your stay in Wrocław, particularly fruitful. In this document you will find all the necessary information related to the event, including transportation and crucial organizational matters.

To read more about the program and participants, visit our website: https://acadeuro.wroclaw.pl/seminar/workshop-beyond-identity-new-avenues-for-interdisciplinary-research-on-identity/

The program of the event can be found attached. Due to quite a big number of participants, the timing for presentation had to be limited to 12 minutes per person, but we are sure that all the emerging questions will be covered during the discussion that follows every session.

Have a nice journey. See you in Wroclaw!
